q-5. What is flow chart? Create a flowchart to make addition of two number.

Ans-

A graphical representation of a computer program in relation to its sequence of

Function (as distinct from the data detail it processes.)

```
        ┌─────────────────────┐
        │        start         │
        └─────────────────────┘
                   │
                   ▼
        ┌─────────────────────┐
        │ declare n1,n2and sum │
        └─────────────────────┘
                   │
                   ▼
        ╱─────────────────────╱
        ╱   read num1 and      ╱
        ╱       num2           ╱
       ╱─────────────────────╱
                   │
                   ▼
        ┌─────────────────────┐
        │      sum=a+b         │
        └─────────────────────┘
                   │
                   ▼
        ┌─────────────────────┐
        │        stop          │
        └─────────────────────┘
```
